

Orbiter 3400 Cable-Wrap Labeler

A product of *Nortek Automation, Inc.*

Features

Versatile: High quality print, 600 DPI
Accurate, repeatable application
Self-laminating labels
Print on demand, serialization
Barcodes, 2D, Graphics

Cable, Wire, & Tube Identification

The Orbiter 3400 automatically prints & wraps labels around wires, cables and tubing. The Orbiter easily integrates into your existing cable/wire processing line, or use the Orbiter offline in semi-automatic manual feed mode.
